The No-Show Killer Kit

Cut your no-shows in half with three messages and one setting.

FREE GUIDE · NO. 5

No-shows aren't a people problem — they're a **system problem**, and systems are fixable. Three reasons calls no-show, and the exact fixes:

Why they no-show

- ① **Booked too far out** — motivation peaks at booking and drops daily
- ② **No reminders** — they simply forget
- ③ **No clear value** — the call felt skippable

The booking-page fixes

- Offer slots **within 48 hours** where you can
- Headline the **outcome** — “book a call to fix X”
- Tell them exactly what they'll walk away with

The 3-reminder sequence (steal it)

Right after booking:

"You're booked for [time] 🎉 On the call I'll show you the #1 place you're losing booked calls + how to fix it. Talk soon!"

The day before:

"Looking forward to tomorrow at [time]! Quick thing to have ready: your Instagram + link-in-bio open so we can look together."

One hour before:

"We're on in an hour 🚀 Here's the link: [link]. Come as you are — I'll do the digging."

CHECKLIST
