HOW TO USE THIS

Become your own toughest lead.

Open your Instagram on a friend's phone and pretend you desperately want to hire you. Walk each step below. Every box you **can't** tick is a leak — a place a real client quietly gives up and leaves.

Step 1 — The link-in-bio test

- ☐ There is **one obvious** next step (not 7 buttons)
- ☐ "Book a call" is visible without thinking
- ☐ No Linktree maze / dead ends

Step 2 — The landing page test

- ☐ The first line names the **result** you get people
- ☐ There's proof before the ask
- ☐ One button, no competing links or menu

Step 3 — The booking test

- ☐ They can book a time in under 10 seconds
- ☐ No back-and-forth DMs to schedule
- ☐ Slots are available within 48 hours

Step 4 — The follow-up test

- ☐ If they don't reply, something follows up **automatically**
- ☐ You have a message that revives quiet leads
- ☐ No warm lead ever goes cold in silence

Step 5 — The proof test

- ☐ A result / win / testimonial shows at the decision point
- ☐ You show the *how* (process), not just tips
- ☐ A stranger would trust you in 10 seconds

YOUR SCORECARD

Count your unticked boxes. **0–2:** tighten & scale. **3–6:** you're leaking real money every week. **7+:** your content is feeding a bucket with no bottom — fix the path before you post again.

The fix is almost never “more content.” It's plugging 2–3 of these leaks so the audience you already have starts booking.

Want it done **for** you?

You just found your leaks. Want them fixed by someone who builds these all day?

You've got the guide — now let me find (and fix) your leaks with you. On a free 30-minute call I'll map exactly where you're losing booked calls and how to fix it. No pitch, promise.
